

Dear Wiggins Bay Villa Owner,

Guardian Property Management maintains a list of homeowners mailing addresses, phone numbers and email addresses in their Cync system database, however, it is the responsibility of each homeowner to call Guardian to update their phone number, email address and mailing address if a change has occurred.

Owners can view their information online at <https://gpm.cincwebaxis.com/> to confirm it is up to date and accurate. If you have any questions, please contact Guardian Property Management at 239-514-7432.

Thank you,
Wiggins Bay Villas
